

GRAINGER SERVICES

Count on Grainger's comprehensive suite of services to help keep your operations running, people safe and costs under control. Need help managing your inventory or developing strategic business initiatives? **Grainger can help with strategic business solutions offered through our network of qualified, insured and licensed service providers.** Take a closer look at this extensive list plus, featured services like:

GRAINGER KEEPSTOCK® INVENTORY MANAGEMENT

From self-serve solutions to complex inventory management demands, we'll help tailor an inventory system that fits your needs so you have what you need, when and where you need it.

GRAINGER CONSULTING SERVICES

We work with you to learn your business, identify improvement opportunities and develop a strategic plan of solutions to help get you from start to savings.

GRAINGER eCOMMERCE & ePROCUREMENT

Grainger can help you reduce requisition-to-order costs and increasing your invoice-to-purchase order matching with eProcurement solutions tailored for your business.

GRAINGER SOLUTIONS

Value Add	Fee Based	Service Type	Service Title
●		Consulting Services	Consulting Services
●		Inventory Management	KeepStock Customer Managed Inventory (CMI) Solution
●		Inventory Management	KeepStock Onsite Inventory Solution (VMI)
●		Inventory Management	KeepStock Secure Vending Solutions
